

Sea Creatures: What am I?

1. I look like a fish but I'm actually a mammal. I swim in the sea but breathe air. I am one of the biggest animals in the sea. What am I?
a. Whale
2. I am a big fish and one of the fastest in the sea. People put me in tins and think I taste good to eat but if they carry on fishing us I won't have many friends left because we are endangered. What am I?
a. Tuna
3. I live in the sea but come onto land near rock pools. I have a hard shell and big claws to nip anyone that gets in my way. What am I?
a. Crab
4. I have eight long legs (tentacles) with suckers on them to catch food with, but I also have a beak like a bird. I can hide behind things and turn the same colour by camouflage. What am I?
a. Octopus
5. I am a fish with lots of big, sharp teeth. Some people are scared of me but they shouldn't be so worried! I have a big fin on my back and like to eat other fish. What am I?
a. Shark
6. I float through the seas with the current. I am see-through and soft with long tentacles, which can sting you. What am I?
a. Jellyfish
7. I live under the sea in shallow water and have lots and lots of sharp spines. Be careful not to stand on me! What am I?
a. Sea urchin
8. I am a reptile that lives in the sea. I have a hard shell and like to eat jellyfish. What am I?
a. Sea turtle
